Come grow with us!

Associate Medical Director (approximately 20 hours per week)

Pathways, a Local Management Entity (LME) serving three counties and based in Gastonia, NC, is searching for an Associate Medical Director that will grow with the agency as it is merging with partner LME's to serve eight counties and simultaneously transitioning to a local governmental managed care organization (MCO). The Associate Medical Director (AMD) in conjunction with the Medical Director provides medical leadership to the Clinical Operations Department. The Associate MD shall be responsible for the proper authorization and review of covered services to enrollees; shall ensure that employees conducting authorization reviews operate within the scope of their clinical expertise; shall ensure that services provided are medically necessary and that they are provided by qualified providers. Substantial involvement is required in the Quality Improvement/Performance Improvement program functions, including credentialing, utilization review and monitoring of subcontractors.

Requires graduation from an accredited school of medicine and completion of a residency in Psychiatry and child psychiatry are required. The physician must be Board Certified or Board Eligible for certification by the American Board of Psychiatry and Neurology. The physician must be licensed to practice in at least one state and obtain an unrestricted North Carolina license to practice medicine. Five years experience in psychiatry and child psychiatry and also experience in dealing with the intellectually/developmentally delayed population.

Please access our website www.pathwayslme.org to learn more about us, our exciting future, the position, current benefit structure, etc. Salary is dependent upon qualifications and experience, position is benefit eligible. The position is considered open until filled.

To apply please submit a letter of interest and curriculum vitae to:

Human Resources
Pathways LME
901 S. New Hope Road
Gastonia, NC 28054 or jobs@pathwayslme.org

Expires 6/13/12

Winston-Salem, NC

Forsyth Psychiatric Associates is seeking a BC/BE psychiatrist for consult liaison services at Forsyth Medical Center, a 961-bed tertiary care facility, to include psychiatric evaluations and treatment of patients admitted to the med-surg hospital beds and patients in the Emergency Department. Other related patient duties are available as well, such as part-time outpatient responsibilities. After hours call related to the consultation service includes light volumes of phone calls only. ED call will be in rotation with other psychiatrists. The service is supported by midlevel providers, counselors and case managers.

Charlotte, NC

Busy group is seeking BC/BE inpatient psychiatrists to join their practice located in the Uptown area of Charlotte, NC. This practice is affiliated with Presbyterian Hospital, a 531 bed hospital located across the street from the practice. Medical Directorship available. This is an inpatient only position. The locked unit currently has 50 beds and will be adding 15 more this spring.

Salisbury, NC

Rowan Regional Medical Center, a Novant Health facility, recently opened an 18-bed geriatric psychiatry unit in addition to the 20-bed adult unit. Team is in need of another BC/BE Psychiatrist. This is an inpatient only position.

Novant Medical Group is a large physician-led organization comprised of physician partners supported by highly skilled professionals to provide assistance and support at every level. We are led by doctors with years of private practice experience who know and understand the details of practice management. Novant is committed to bringing advanced medicine to our valued patients. Our physicians and patients have access to the latest in imaging and diagnostic technology, national drug trials and new surgical techniques. We provide our practices with operation teams who have extensive healthcare business backgrounds to ensure best practices. Our practices represent a broad spectrum of both primary and specialty care throughout the Carolinas and Virginia. We offer competitive salaries and an opportunity to earn an incentive payment.

Good Opportunities in Unique Private Practice

Carolina Partners in Mental HealthCare is seeking BE/BC psychiatrists to fill full-time positions in Raleigh and Durham, as well as several part time positions in Raleigh, Durham and Wake Forest. Control your own practice – good income, great flexibility.

Carolina Partners has grown organically over the past twenty years from two clinicians to more than 60 mental health professionals in twelve North Carolina private practice locations.

What does any professional want from a psychiatry job?

- Good income – *check!* Our doctors consistently earn market, or better- than- market incomes.
- Job security – *check!* You are the boss at Carolina Partners – no one can fire you, cut your budget, or lay you off! Your place with Carolina Partners will remain secure far into the future because we have removed much of the risk from private practice. We're a relatively large group, so we have more financial depth and can weather business misfortune.
- Opportunity – *check!* We all need to see a pathway to improved opportunity and advancement in our career. Our unique Capital Investment Program features a number of ways for our Partners to pool resources and invest together for opportunity and strength toward a bright future.
- Quality of Life – *check!* No one at Carolina Partners will tell you how, why, or when you should practice medicine! At Carolina Partners, every clinician is a partner with a voice in management, and the freedom to design his/her practice the way he/she wishes.

Carolina Partners: Private Practice that emphasizes Good Income, Job Security, Opportunity, and Quality of Life.

If interested, please visit us on the web at carolinapartners.com;
or send CV to:
