

TIPS FOR ACCESSING ELECTRONIC HANDOUTS

- Download the free Guidebook mobile app from your device's app store to view handouts, schedule, speaker bios, workshop descriptions, award winners, and more! *Search for NC Psychiatric Association within the app to find our event. Visit <https://guidebook.com/guide/42895> to use the app in your browser.*
 - Save PDF handouts to your device via links from the confirmation email or from our website: www.ncpsychiatry.org/2015-handouts
 - If you're using a tablet or smart phone to view handouts, install the FREE Adobe Reader app so you can take notes (by hand or with a keyboard or stylus), highlight text, make comments, etc. directly onto the PDF handouts. *Other apps are available for purchase and may have more "bells and whistles."*
 - All handouts are available on the USB drive provided. *The handouts are organized by day in separate folders on the USB drive and labeled with each presentation's title and speaker.*
 - Use #NCPA15 to tag Tweets and Facebook posts related to the conference. *Guidebook lets you access Twitter and Facebook within the app!*
 - **If you have questions, ask NCPA staff. We are here to help you!**
