

## TIPS FOR ACCESSING ELECTRONIC HANDOUTS

- Download the free Guidebook mobile app from your device's app store to view handouts, schedule, speaker bios, workshop descriptions, award winners, and more! *Search for NCPA within the app to find our event. Visit <http://guidebook.com/guide/93639> to use the app in your browser.*
- Save PDF handouts to your device via links from emails sent from NCPA Staff or from our website: [www.ncpsychiatry.org/2017-handouts](http://www.ncpsychiatry.org/2017-handouts). *We strongly recommend you download the handouts you wish to access in advance.*
- If you're using a tablet or smart phone to view handouts, install the FREE Adobe Acrobat Reader app so you can take notes (by hand or with a keyboard or stylus), highlight text, make comments, etc. directly onto the PDF handouts. *Other apps are available for purchase and may have more "bells and whistles."*
- Handouts are available on the USB drive provided. *The handouts are organized by day in separate folders on the USB drive and labeled with each presentation's title and speaker.*
- If you have questions, ask NCPA staff. We are here to help you!
