

# 2018 NC Psychiatric Association Annual Meeting & Scientific Session

## September 27-30, 2018 | Asheville, NC

**CME Meeting Mission Statement:** Designed for psychiatrists, this continuing medical education live activity will provide information to maintain and expand competency and medical knowledge.

**Credit Statement:** The American Psychiatric Association designates this live activity for a maximum of 13.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Meeting Accreditation:** This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the American Psychiatric Association (APA) and the North Carolina Psychiatric Association. The APA is accredited by the ACCME to provide continuing medical education for physicians.

**Disclosure Statement:** The American Psychiatric Association requires disclosure by faculty at CME activities of any financial interest(s) or other affiliations(s) with commercial organization(s) that may have a direct or indirect interest in the subject matter of the educational activity, including that of a spouse or partner. A “financial interest” may include, but is not limited to, being a shareholder in the organization, being on retainer with the organization, or having research or honoraria paid by the organization. An “affiliation” may include holding a position on an advisory committee or some other role or benefit to a supporting organization.

**Acknowledgement of Commercial Support:** Support for this program was provided by an unrestricted educational grant from The Pharmaceutical Research and Manufacturers of America (PhRMA).

**Conference Objectives:** By the end of this program participants will be able to:

- Critically discuss and evaluate the evidence base for psychiatric practice
- Examine public policy trends and their potential impact on psychiatric practice
- Identify emerging clinical practices and their promise for implementation

**Target Audience:** This activity is intended for psychiatrists, psychologists, primary care physicians, nurse practitioners, nurses, physician assistants, social workers, and administrators.

**Program Committee:** All Program Committee members agreed to disclose any conflict of interest that may arise during the planning of CME activities and recuse themselves from any discussions where a potential bias could exist.
