“We got a good response from the online ad... literally within an hour!”
- Gene Rodgers, MSW, Family Preservation Services of NC, Inc.
The North Carolina Psychiatric Association (NCPA) is one of the oldest professional member organizations in the state. More than 85 years after its inception, NCPA represents nearly 1,000 psychiatrists statewide. Our quarterly print newsletters, bi-weekly e-newsletters, Annual Meeting & Scientific Session, and CME events reach a wide audience within the mental healthcare field:

- Psychiatrists
- Physician Assistants
- Nurse Practitioners
- Nurses
- Social Workers
- Psychologists
- Medical Students
- Hospital Administrators
- Medical Directors

NCPA’s publications serve as a trusted psychiatric news aggregator. We report on the major issues, policies, events, programs, and leadership opportunities in the field of psychiatry.

Our publications are for and about anyone who is in a leadership role in the house of medicine. Whether you’re seeking new clients for your business solutions and services, showcasing your products, announcing vacancies, selling your practice, or renting office space, advertising with NCPA is an outstanding way to reach North Carolina psychiatrists with your message.

Exhibitor Opportunities

NCPA holds several events throughout the year, with a wide audience including psychiatrists, physician assistants, nurse practitioners and nurses, social workers, psychologists and other mental health providers. Events range from practice management workshops to scientific sessions.

Our events are a great way to meet one-on-one with your target audience. Event schedules are designed to provide multiple breaks with exhibitors to maximize networking opportunities. NCPA also provides sponsorship opportunities that allow for increased exposure such as exclusive on-site signage, inclusion of logo and company information in event marketing.
