

V. Sagar Sethi, M.D.

# MENTAL HEALTH RESEARCH AWARD

**call for nominations:** The Psychiatric Foundation of North Carolina is seeking nominations for the V. Sagar Sethi, M.D. Mental Health Research Awards. Candidates may not self-nominate. **Submission deadline is January 15, 2015.**

**nomination criteria:** The award seeks to honor a scientist for significant contributions to basic research in the neurosciences, psychology, or pharmacology at a molecular, cellular or behavioral level. Criteria include:

- significant contribution to basic research;
- research has had a significant impact or is highly likely to have significant impact on clinical psychiatric care;
- Candidates hold an M.D. or Ph.D. and are conducting active research in the United States

**the award:** The award recipient will receive \$7,000 and travel support to present a lecture during the NC Psychiatric Association's Annual Meeting & Scientific Session, October 1-4, 2015.

**submit nominations:** *Nominations should be submitted by January 15, 2015.* A one page nomination letter and the nominee's CV should be sent via mail, fax, or email to one of the following:

Psychiatric Foundation of North Carolina
